PROFESSIONAL SUMMARY

Enthusiastic MERN Stack Developer and BCA fresher with practical knowledge of HTML, CSS, JavaScript, React.js, Node.js, Express.js, MongoDB and Firebase. Interested in building responsive, user-friendly web applications and contributing to real-world development teams.

CORE SKILLS

React.js & Component UI	JavaScript Development	Responsive Web Design
Node.js & Express.js	MongoDB & Data Handling	Firebase Integration

PROJECTS

Car Rental Website

React.js | Firebase | JavaScript | HTML | CSS

- Developed a responsive car rental website using React.js with reusable UI components and modern layouts.
- Used Firebase for application backend services and data-related functionality.
- Created fleet, navigation and contact-focused sections for a smooth user experience.

Basic Business Website

HTML | CSS | JavaScript

- Created a responsive business website with structured sections, clean styling and interactive front-end elements.
- Built reusable page sections for business information, services and contact content.
- Focused on simple navigation, readable layouts and mobile-friendly presentation.

To-Do / Task Management Website

JavaScript | HTML | CSS

- Built a task management interface for adding, organizing, updating and completing daily tasks.
- Implemented interactive task controls using JavaScript and DOM manipulation.
- Designed a clean, responsive interface for easy task tracking.

EXPERIENCE

Fresher - Seeking an entry-level opportunity as a MERN Stack Developer, React Developer, Junior Web Developer or Development Intern.

DEVELOPMENT FOCUS

Responsive UI • React components • JavaScript interactivity • Node.js / Express.js • MongoDB • Firebase
